Legacy Writing Retreat January 8-10, 2010 Boca Raton, Florida

Legacies are the footprints we leave behind: evidence that we existed; we mattered; we made a difference. Begin crafting your legacy (your spiritual-ethical will) in this legacy writing circle. You'll document your connection to your roots, give purpose to your present life, and transmit your life-lessons as wisdom and blessings for future generations. Whatever your life situation or personal transition, reflecting on, clarifying, and documenting your legacy is an important part of a life well lived. No prior writing experience necessary!

To register:

Mail your registration and deposit of \$200.00 to reserve your place. Balance is due at beginning of retreat program. [Cancellation refund policy: 75% one month prior to program; 25% after] Space is limited. Your registration will be confirmed in the order it is received. If cost would prohibit your attendance, please call Rachael to discuss a payment plan.
